

STARTER KITS

Starter kits are an attractive way to introduce Bee By The Sea products to your customers! Available in a variety of sizes, these kits are designed to be compact, maximize product exposure and generate sales. All starter kit options include a new store package with brochures, window display and additional product for restocking. The Queen Bee and Bestseller Kits come with a separate lip balm display.

Mini Starter Kit

The mini features our bestselling body cream and a variety of lip balms. This point of purchase display is compact and a great way to introduce Bee By The Sea to customers.

The Bestsellers Kit

Showcase our "must haves" plus our bestselling body cream, body butter and face cream. Products are featured in a larger display box for prominent merchandising.

The Essential Kit

We have packed the essentials into a compact display! This kit features our "must haves" including the natural deodorant, foaming facial cleanser and body wash.

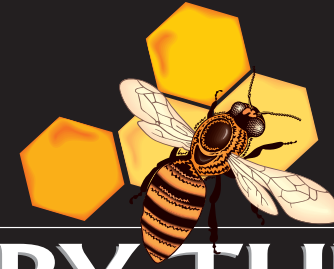

The Queen Bee Kit

The essentials, best sellers plus the extras! The Queen Bee features our face & eye serum, sugar scrub and shampoo & conditioner. Showcase the whole Bee By The Sea Collection!

NATURAL SKINCARE WITH

Sea Buckthorn and Honey

BEE BY THE SEATM
NATURAL PRODUCTS

Feel Great • Smell Great • Look Great

OUR STORY

Bee By The Sea Natural Products was founded in 2008 by Andrew Wingrove in Ontario, Canada.

Andrew was fascinated by the healing properties of sea buckthorn and planted his first orchard near Sundridge, Ontario. By combining sea buckthorn with honey, Andrew created a line of skincare products unlike anything else on the market. Bee By The Sea products are now sold in hundreds of retail stores across Canada and the United States, and also available online.

We make our products in small batches with natural ingredients. You may occasionally notice colour and texture changes.

WHY CARRY BEE BY THE SEA NATURAL PRODUCTS?

- Small batch production using quality ingredients
- Free body cream tester with every order
- Low minimum order amount with no restrictions on product units
- Easy online ordering
- Low flat shipping rate
- Free printable posters, POS and marketing material for merchandising

WHY SEA BUCKTHORN?

- Omega 3-6-9 and 7
- 15 times the Vitamin C of oranges per volume
- Vitamin E (*the second highest natural source in plant world*)
- Beta carotene
- 18 amino acids, corticoids, tocopherols, flavonoids

BENEFITS OF UNPASTEURIZED HONEY

- Loaded with nutrients & antioxidants
- Anti-inflammatory, anti-bacterial and anti-fungal properties

SAVE THE BEES

a portion of proceeds goes to the honey bee research centre
